Hillside RV Park

LOT# _____

ADDRESS _____

NAME: _____

Hillside RV Park offers as a convenience a propane rental and swap service. Please select and initial one of the following options:

_____ 1. I do not wish to participate in Hillside's propane tank swap program.

_____ 2. I wish to participate in Hillside's propane tank swap program (select which option below):

() I would like for my tank to be automatically swapped whenever my tank is approximately 90-100% empty. I give permission for the tanks to be swapped whether or not I am at home during the swap.

() I only want my tank swapped when I request it.

() I would like a full tank left at my site when the tank I am using is more than 80% depleted and I will hook up the full tank myself when I am ready. I agree that I am responsible for properly hooking up the tank to the hose line.

I understand that tanks will be checked and swapped only on certain days of the week (currently Monday, Wednesday, and Friday from 9-1 but subject to change). If I require a tank to be delivered to me outside of regular hours, I agree to pay a \$20 service fee. All tanks are numbered and the number of the tank delivered will be included on monthly statements.

I agree to pay for all propane delivered to me no later than the 5th day of the month following the date of delivery. I understand that I am unable to receive a refund for partially used tanks and that my account will be charged \$175 for any tanks which are not returned in good working order.

I UNDERSTAND AND AGREE TO THE ARRANGEMENT I HAVE SELECTED ABOVE.
